# President's Message

The start of the holiday season is just around the corner. It is perfect time of the year to grab some friends and family and enjoy dinner at the club. Pasta Night is a great way to have dinner at your own pace and spend time socializing. Since the club will be hosting many member events and private parties it is always a good idea to check this newsletter for upcoming events at the club.

Golf Course – The golf course has gone through fall maintenance operations. The greens, tee boxes, and fairways were aerated. These procedures should help produce a great golf course next spring. The greens are already in good shape due to the use of our new Sasco rollers. The collars around the greens have been either power seeded or have had new sod placed down. We should see a vast improvement in the collars by next season. Wade Wearren will be planting 100 donated trees this month to add to the scenic view of our course.

After many years of service, John Allison has retired from the Golf and Tournament committees. John has done an impeccable job ensuring our tournaments run well. John also spent many hours performing golf course condition reviews to help the Golf Committee plan maintenance and repair projects. Please take a moment and thank him when you see him at the club. John will continue to head the Handicap committee. Special thanks are also in order to Matt Taylor and Pete Willard for providing all members a great golf operations and course.

Clubhouse – Congratulations to Louis Kohler for submitting the winning name in the “Name the Patio contest. Louis submitted the name of “Sunset Terrace”, which the House Committee shortened to “The Terrace” Louis and family will receive dinner for two at the club and two golf guest rounds. The Terrace will be open this fall but, please check the monthly newsletter, call the club, or check the web site for hours of operations. Pasta Night and the Seafood Buffet will continue in November.

The membership will be voting on three replacement board members this month. To validate the election process we need over 50% of the members to send their votes. We appreciate everyone your quick response in returning your ballots.

In closing, continue to send potential new member information to Kim Stocksedale, our Membership Director. Please e-mail me at [DWibbels@lakeforestgolf.com](mailto:DWibbels@lakeforestgolf.com) if you have concerns or comments regarding the club.
