Winter Guest Fees in Effect beginning October 2nd

\$30.00 guest fees for 18 holes and \$20 for 9 holes weekends, weekdays and holidays. Winter rates are in effect October through April.

PLEASE NOTE: Winter aerification of the greens will begin on Tuesday, October 2nd and Wednesday, October 3rd. The tees will be aerated next, followed by the fairways.

Pace of Play

As a reminder and as a courtesy to fellow members, each group on the golf course is required to keep pace with the group in front of them. We do not recommend a time to play because conditions change so frequently; carts on paths, rough, weather, etc. If a group falls out of position, the golf shop will ask them to pick up pace to fill the gap. If this isn't attainable, the group will be asked to pick up and resume play at their proper position on the course. As you know, we don't employ rangers and members monitor their own play. Please call the golf shop while playing if play is slow. Thank you for your cooperation in this.

Oxmoor Country Club Reciprocity

Several inquiries have been made regarding Oxmoor country Club members playing at Lake Forest while their fairways are being regressed. We have agreed to allow two groups a day during non-peak times for cart fees. These times are coordinated through the Oxmoor Pro Shop. Any Oxmoor member playing with a Lake Forest member is charged a guest fee.
