**2010 Election of Board Members for 2011 term - Call for Nominations by October 26, 2010**

Per Lake Forest Country Club (LFCC) By-Laws (October 1993) three Board members will be elected to replace three expiring-term Board members. Each elected director will serve for a 3 year term.

At least 35 days prior to the annual meeting the slate of eligible Club members selected to stand for election are finalized by one of the two methods that follow:

- Board appointed Nominating Committee will receive nominations through
- Self nomination from a qualified Club member or
- Nomination of qualified Club member by another eligible Club member.

Once nominations are received, Nominating Committee will review per by-laws and through a majority vote present their recommendation for a slate of candidates.

A Membership Petition that is signed by 10 percent of qualified members who are not appointed to Nominating Committee or currently serving on the Board of Directors that presents a qualified Club member.

The Nominating Committee selected for 2010 will serve for 1 year (September 2010 – August 2011). The 2010 Nominating Committee:

- Charlie Price
- Bill Meade
- Cackie Billman
- Brad Goranson
- Matt Rumpke

A ballot of candidates will be presented to Club membership for their vote 35 days prior to the Annual Meeting of membership. Members may submit their vote by

- 1) US Postal Service or internal mail to LFCC – attention of Nominating Committee;
- 2) Proxy or;
- 3) An in-person vote at Annual meeting.

A majority of participation by Club membership will constitute a valid election.

No matter the method of submission of your vote the Club By-Laws require one vote per membership with membership number listed on ballot. While there is only one vote per membership, you may select one, two, or three candidates to receive your one vote (your choice of one candidate does not provide a cumulative effect for that one candidate).

Your selection(s) receives a weighted calculation based on membership type. Each candidate that receives a qualified member's vote will obtain the following weights:

- Golf, Junior Golf and Corporate Designee memberships – each vote is multiplied by 4.
- Sports Golf and Junior Sports Golf memberships – each vote is multiplied by 3.
- Swim and Tennis memberships – each vote is multiplied by 2.
- Clubhouse/Social memberships – each vote is multiplied by 1.

Questions on 2010 Board of Directors' election for 3 year term commencing in 2011 may be submitted to the Board/Nominating Committee through Club Manager Jeff Campione.

Clifford A. Stepp Jr.  
Secretary, Board Member

### Repairing Ball Marks

In an effort to encourage the membership to continue fixing ball marks, we have provided you with some factual information that may interest you. **Unrepaired ball marks take at least two to three weeks to properly heal, leaving behind unsightly, uneven putting surfaces.** On the other hand, a repaired ball mark takes only half the time to heal. Beginner or pro, it is your responsibility as a golfer to fix your own ball marks. If you are truly a steward of the game, you'll fix any others you see while your partners are putting as well.

# Mission Statement & Traditions

## **Lake Forest Country Club Mission Statement**

Lake Forest Country Club is a traditional, family oriented private club. Our focus is to consistently provide exceptional service to all Lake Forest Country Club members and their guests. Our objective is to ensure continuous improvement in providing excellent well-maintained facilities, quality golf, tennis and athletic activities, superb dining venues and a variety of family programs and social events for the benefit and camaraderie of our members in a home away from home atmosphere.

## **Lake Forest's Traditions of Membership**

The membership takes pride in its heritage and strongly reaffirms the objectives and traditions of our founders: the club provides a refuge from the outside world, a very private Club where good manners, a high moral code, personal integrity, etiquette and mutual respect are inherent in the membership; where rules are seldom invoked because common sense, common courtesy, and allegiance to the principles of our heritage govern member behavior; and, where members and their families can relax and enjoy recreation, fine dining, and the social compatibility of other members.

## **Preserving Lake Forest's Traditions**

Respect for these traditions and high standards of excellence are essential to preserving and fostering an atmosphere at LFCC that will transcend influences outside of the Club. Members have joined LFCC for these wonderful traditions and models of behavior and expect it to remain a constant beacon for future members to emulate.
