Golf Shop News

Pace of Play:

As a reminder and as a courtesy to fellow members, each group on the golf course is required to keep pace with the group in front of them. We do not recommend a time to play because conditions change so frequently; carts on paths, rough, weather, etc. If a group falls out of position, the golf shop will ask them to pick up pace to fill the gap. If this isn't attainable, the group will be asked to pick up and resume play at their proper position on the course. As you know, we don't employ rangers and members monitor their own play. Please call the golf shop while playing if play is slow. Thank you for your cooperation in this.

Trivia Night, and a Movie for the Kids

Once a month, the Palmer Dining Room transforms into an arena for fun and competition, as teams vie for the title of Trivia Champs. This event is open to all Club Members, and there is no cost to play. Just bring a team of up to 10 players to the Club by 6:30 pm on the last Tuesday of the month for two hours of fun Q & A — meanwhile, Member children are entertained and cared for with a movie and a meal. Team Trivia is a lot of fun, and there’s room for more teams to give it a try!
Next contest: Tuesday, September 25th, 6:30 pm
